

Focus	I focused on the tasks fairly well	Deleted social media	20	Significant	Likely
Stress	There were times where I got frustrated but I remained calm and looked up what I was struggling with.	Used the internet to help me whenever I felt stuck, stack overflow	10	Minor	Possible
GitHub	There was some trouble merging my branches however it was solved easily.	Consistently checked to make sure my branches were being created correctly.	5	Negligible	Possible
Time Limit	I was aware of the time limit for the project.	I set my own deadline so that I would finish the project before the actual deadline.	15	Moderate	Likely
Testing	This was very frustrating for me	Ended up figuring it out in the end	15	Moderate	Likely

IMPACT

Negligible	Minor	Moderate	Significant
5	10	15	20
4	9	14	19
3	8	13	18
2	7	12	17
1	6	11	16
